

Burrow Rental General Guidelines:

- Rental agreement, including costs and/or profit sharing should be agreed upon in writing prior to the rental date.
- Basic rentals consist of access to the Burrow only, including kitchen, washrooms, main outdoor area, plus use of the parking area.
- If rental groups require access to further parts of the club (trail system, land, workshop, other buildings) these must be requested specifically in advance and agreed upon by the Board or Board representative. Rental fees may be increased accordingly, at the discretion of the Board.
- Rental groups use the facilities at their own risk. Insurance coverage must also name GNSSC as being covered and any waivers signed by participants must also excuse GNSSC from liability.
- Weekdays (Monday to Friday), a basic rental would be \$100 per day for 2014/15.
- Weekends (Friday to Sunday), a basic rental would be \$250.
- Full week (Monday to Sunday) or any 7 day interval \$500.
- For rentals involving multiple days, a discount may be applied to the total rental fee at the discretion of the Board.
- If a Burrow Attendant is required the costs will be added to the rental fee.
- School groups or charitable organizations can apply to the Board for special consideration on rental pricing.
- Any costs for repairs or upgrades specific to the rental will be passed on to the rental group by the Board and ideally agreed upon prior to the rental if possible.
- For rental groups organizing fundraising or for-profit events at GNSSC, a hosting partnership with GNSSC would be

preferred, including sharing of profits between the rental group and GNSCC.

- Rental price adjustments for subsequent years should be considered by the Board prior to the end of each calendar year and discussed at each AGM.
- Rental pricing should be posted on the website and the bulletin board, along with a central contact for prospective renters to apply to (in order to coordinate rental dates and minimize schedule conflicts).
